— PARISH COUNCIL NOTICE —
WARNING TO ALL PARENTS AND TEENAGERS IN THE VILLAGE

As you will know, the site of the former skate park along Saxon Way has been closed for some time. The Council has advised people that they should not be on this site, but some continue to meet there.

The Council has continually to clear large volumes of rubbish from this site every week – at some cost to residents – including beer cans, broken glass, and shoes hung from lamp posts. The Council carries out inspections, the latest of which revealed a large quantity of synthetic drug containers. Clearly the Police have had to be informed.

FOR YOUR OWN SAFETY

Parents – the Council would advise you **not** to allow your children on this site;

Teenagers – the Council would advise you **not** to visit the site under any circumstances.

— PARISH COUNCIL NOTICE —
PUBLIC MEETING

Thursday 7th September from 7–9pm

— PARISH COUNCIL —
POLITE NOTICE

The Council recognises that in many parts of the village parking is a problem for residents and visitors. You are asked to use your own garages/drives/forecourts whenever possible to help alleviate these problems.

Under no circumstances may vehicles be parked on any of the Council's lands *(without express consent from the Council, e.g. a temporary arrangement)*, nor any of the grass verges.

Dear Editor

The Village Green: it is with great disappointment that I saw the beer bottles and broken bottles strewn around the new ramp and the other activity areas this Saturday morning (15th July), the Parish Council has provided these facilities for teens, which after Inspection on Monday (17th) will have the barrier rails removed and free for them to use. Who clears their mess? Parish Councillors

Bunty Waters

Dear Editor

I would like to say a big thank you to everyone who made the Flower, Art & Craft Festival such a success.

The organisation who came up with such an innovative ideas and the painting and crafts section, it just shows what talented people we have in the village.

Last but not least to the team of people behind the scenes, setting it all up and staffing it.

Thank you all!

Ann Duce

Dear Editor

Hedgehogs

These lovely nocturnal animals may need your help.

If you find a hedgehog out during the daytime it is likely to be injured or a juvenile needing help. Try and pop it in a box or tall container (they climb) and contact Shepreth Hedgehog Hospital for advice. Tel: 07505 651968 or 07771 457693.

I have nightly hedgehog visitors to my garden and would love to know who else has them in Bar Hill? Do let me know.

Heather Sales, 92 Pheasant Rise

Dear Editor

On 21st June a team of golfers from across the county attempted The Macmillan Cancer 72-hole golf challenge at Cambridge Hallmark Hotel, Bar Hill. With assistance from the Course Operations Manager, Edward Sandford, the team started their first round at 5am and completed their final round at 9pm, with temperatures hitting 30°C at times.

The team consisted of Tony Garner (captain), Bruce Harwood, Liam Wood and Dan Marshall.

This was the 4th year a team had been entered to complete the challenge.

The team would like to thank Edward and Paul Faulkner, Deputy General Manager.

You can still sponsor us by visiting www.justgiving.com/tonyspage.

Many thanks, *Tony Garner*

In addition students with an academic email of any age and schools/universities/colleges can also get free Microsoft Office at: http://tinyurl.com/y7nlbrnf .

DO YOU ENJOY READING YOUR BAR HILL NEWS?

Would you like to help with its production?

Our village magazine is printed and delivered every month except January, and we like to think it provides a useful service to Bar Hill. It's produced entirely by volunteers and we are most grateful to all who help in any way. However, from time to time we need more people to help, as some of our regular team become unable to continue for one reason or another.

Now is one of those times! We currently need people to help with collating and delivery and are looking ahead to a new person taking over the co-ordination of the distribution of the printed copies.

Collating – 100 copies of the magazine takes about an hour, using an electric stapler which we provide. The copies will be delivered to you and we usually ask you to pass them on to someone else in the village for delivery, although we can arrange to collect them if necessary. We are short of three regular collators and we would also like to hear from people who are willing to be on the reserve list to cover occasional absences.

Delivery – is usually to between 40 and 70 houses. This typically takes less than an hour. We currently need a deliverer in Watermead. Again, we would also like to hear from people who are willing to be on the reserve list.

Co-ordinating – the distribution is a task which takes a few hours spread over about a week around the end of each month. It includes quite a bit of lifting, carrying and driving (within Bar Hill). We would like to hear from someone willing to take on this essential task whether they are available now or could take over later in the year.

Thank you very much – I look forward to hearing from you.

Martin Avery, E: m.j.avery@ntlworld.com;
T: 01954 781233.

— NEIGHBOURHOOD WATCH —

A big thank you to all who visited our stand at the Village Fête. We hope you took away some useful advice.

Our competition this year gave you the total number of crimes reported in the residential area of Bar Hill in 2016 (**154**), broken down by number: **54, 36, 16, 16, 16, 9, 7.** We also gave you the crime categories and asked you to match them up and guess which was the busiest month. Well done to **Lynda** for a nearly perfect answer and to **Lois,** a close second.

The correct answers are: • Anti-Social Behaviour: **54** • Burglary: **16** • Damage: **7** • Other Theft *(without breaking in e.g. bikes, garden ornaments)*: **9** • Public Disorder *(e.g. fighting, threatening and abusive behaviour in a public place)*: **16** • Vehicle Crime *(theft of and from vehicles)*: **16** • Violence *(assault, including domestic and sexual)*: **36** •

The busiest month was **December.**

While violence seems comparatively high Bar Hill is **not** a violent place. Many offences occurred inside homes and were no doubt linked to alcohol and domestic strife, particularly in December (10 incidents).

So what do the figures say about crime in Bar Hill last year?

Bar Hill is well below the national, county and district averages for crime: **National** average of crimes per 1000 people: **61; Cambridgeshire** average: **56; Bar Hill** average: **44.** However, if you remove crimes related to the superstore, that figure falls to just **25** per 1000 people, which is below the village average for South Cambs.

Understandably those who have been a victim of crime are unlikely to agree it is a safe village because every crime is distressing. So we must remain vigilant, not become complacent and all play our part in keeping our community safe.

– Be wise,
– Stay alert,
– Report incidents and suspicions.

VOICES4CHOICES – A CHANCE TO SHAPE YOUR CARE AND SUPPORT

Do you or someone you care for have a disability or long term health condition and receiving support such as home care, a support worker, day services or respite care? Maybe you are starting to feel as though you might need some help in the future but are not sure about your options and how you go about getting the help that you need?
A Direct Payment is one way to fund care and support that you or someone that you care for needs. It is money from the council that aims to give you more **flexibility, choice** and **control**. For example, you could use the money to pay a friend or neighbour rather than use a care agency. If you would like to take more control of the care and support, you may find it helpful to come along to one of our four **Direct Payment Awareness Raising Events** across the county, planned for July.
Are you already in receipt of Direct Payments? If you have a story, good or bad, to share we'd love to learn from your experience. If you are already in receipt of Direct Payments and just want to learn a little more or have a chance to chat to a real person, then these events are also for you!

- Thursday 6th July Owl Café, Sawston 2.30–4.30pm;
- Thursday 13th July Ely Library 2.30–4.30pm.

Each session is free, including reimbursement of travel expenses. Hot and cold drinks will be available.
To find out more, get in touch with James or Leisha at Cambridgeshire Alliance for Independent Living (CAIL) on T: 0300 111 2301; E: james@cambridgeshireall:ance.org.uk; leisha@cambridgeshirealliance.org.uk.

Both surgeries will be closed on Bank Holiday Monday 28th August; normal opening Tuesday.

Stay Safe in the Sun – we're enjoying good weather so far. When you're out and about please remember to use adequate sunscreen to prevent skin cancer. Our pharmacy can advise on the best products. Make sure children wear high factor sunscreen, a sunhat and drink plenty of water.

Meningitis ACWY Vaccinations – going to University in September? We invite all teenagers born between 01/09/1998 & 31/08/1999 to contact the surgery to make an appointment with a nurse.

Vitamin D – is essential for healthy bones. We get it from oily fish, red meat and eggs. In the UK from around March – September we get most of our vitamin D from sunlight. Find out how to get enough without risking sun damage by visiting the NHS choices website: www.nhs.uk/Livewell/Summerhealth/Pages/vitamin-D-sunlight.aspx.

The *Pharmacy* at Willingham Surgery can help with many of your travel essentials, so pop in for free advice.

Citizens Advice Bureau – we are excited to announce that CAB now offer free advice and support at both Surgeries. Meet our in-house Citizens Advice Advisor and get help with • budgeting • benefit issues • dealing with debt • issues such as employment and housing. Contact the surgery for more information.

Bar Hill registrations – we are currently unable to accept registrations from Bar Hill due to increasing demands on GP time. Further information is available on our website.

Carers Support Meetings – please note there's **no meeting** in **August**. Next meetings: 6th September, 4th October and 1st November at 2pm.

— SCAMS OF THE MONTH —

Please note these current warnings:

One: With the recent **warm weather**, some homes have been left insecure and vulnerable to opportunist thieves.

- ✓ Lock all windows and doors even if you only go out briefly.
- ✓ Set your alarm if you have one.

Better to come home to a very warm house than a burgled one.

Two: **High powered vehicles** *(e.g. BMW, Audi, Mercedes)* are being targeted. Improved security makes them more difficult to steal without the keys so thieves are breaking into owner's houses.

Residents are asked to report any unusual people or vehicles paying attention to houses with a desirable car and report it to the police on **101**, or **999** in an emergency.

- ✓ Without taking risks, try to obtain a description of people and vehicle registration numbers to aid police investigations.

Owners are advised to take extra precautions:

- ✓ Never leave keys near your letterbox where a thief could fish them out.
- ✓ Always lock windows and doors.
- ✓ Fit a steering wheel lock or other extra device.
- ✓ Park in a garage if possible.
- ✓ Consider a driveway alarm to give early warning of someone on your drive.
- ✓ A tracking device could help trace your car.

Three: **Suspicious door step callers** are being reported, offering various goods and services. Sometimes they are looking for vulnerable residents, valuables or insecure homes to return to later.

- ✓ If you are aware of suspicious or bogus callers in the area, please ring **101**. The police recommend you do not buy goods or services at the door, especially building or gardening work.
- ✓ Get quotes from reputable traders and make a decision at your leisure. Never agree to work being carried out because it seems like a good deal. Any transaction over £42 should come with cancellation rights of 14 days. If the trader fails to offer this, they are committing an offence.
- ✓ To find a reputable trader checked by Trading Standards see www.buywithconfidence.gov.uk or T: **08454 040506**.

Four: There has been an increase in **online trading fraud** of pets and vehicles. Once a sale is agreed the fraudster requests advance payment. However the items do not materialise because they do not exist.

- ✓ Research the seller and any third parties involved as couriers, money transfer sites etc.
- ✓ Ideally arrange to meet and view items first.
- ✓ Be wary of bargain prices – they are usually too good to be true.

* **For wise advice on all types of online activity** *(e.g. buying, booking holidays, dating)* see www.getsafeonline.org.

— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

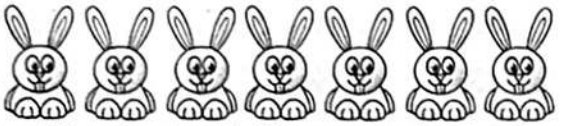
Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

Paul Stimpson's 58 was the top score against St Ives as Bar Hill totalled 209 for 6. A depleted St Ives side were then bowled out for 23, Phil Orvis taking three wickets without conceding a run, to add to his innings of 39 not out.

The fourth win was a walkover against Over and Bar Hill now have six matches left to maintain a promotion push.

In the midweek league, Sam Clare smashed an incredible 126 not out as Bluntisham were beaten by six wickets. The visitors scored 169 for 5 but Sam's innings ensured Bar Hill reached 172 for 4.

There was also a good win against Invoke. Sam again made the top score with 36 in Bar Hill's total of 113 for 7 and Invoke were then bowled out for 71, Sam adding three wickets to his runs.

Last but not least, the Fred Styles Memorial Match saw the Social Club win a narrow victory over the cricket club.

Nathan Dean hit 43 not out and Paul Stimpson 33 in the cricket club's 149, but Matt Childs made 38 not out as the social club passed that total with two wickets left.

Our youth training sessions continue on the village green **every Wednesday from 6pm.**

Finally, thanks to all those who bought food from our barbecue on fête day.

Council continues to be top performer

Finance bosses have thanked revenues staff, residents and businesses for achieving another top table position in the **council tax collection league**. The latest government statistics show that South Cambridgeshire has come joint third, collecting 99.4% of all council tax, maintaining last year's performance.

Northstowe

In May 2017 there was a celebration event as the first residents were welcomed into Northstowe. The first houses were occupied in April and more buyers are due to move in over the coming months. Bloor Homes is building the first 92 homes, which will be a range of two, three, four and five bedroom houses. Two 4-bedroom show homes opened to the public on 13th May. Northstowe will eventually encompass up to 10,000 new homes and will have a full range of early year, primary, secondary and special educational needs facilities.

Cambridge North Rail Station

It connects to the Cambridgeshire Guided Busway and provides an interchange with Park & Ride and local bus services. There are three platforms: Platform 1 serves southbound fast services to Cambridge and London King's Cross; Platform 2 serves northbound services to Ely and Norwich; Platform 3 serves semi-fast services to London Liverpool Street via Cambridge and Bishop's Stortford, and stopping services to London King's Cross via Cambridge and Stevenage.

— SEWAGE SPILL, BAR HILL —

We need your help to wipe out a **big problem**. There has recently been a pollution to a water course within the Bar Hill area. A letter drop was carried out. The cause was a build-up of FOG (fats, oil, greases) and Rags (baby wipes, sanitary products etc.) which caused sewage to spill out and externally flood.

Here are **some quick reminders** of what to do to help look after your **sink and loo**. Remember:

NO surface, make-up, cleaning or baby wipes;
NO sanitary products, sanitary towels, tampons, applicators, or incontinence pads;
NO food scraps;
NO cotton buds;
NO fats, oils or grease;
NO disposable nappies;
NO condoms or femidoms;
NO razor blades;
NO syringes or needles;
NO bandages or plasters;
NO plastic bags or wrappers.

Even some wipes labelled flushable or biodegradable don't break up enough to make it through the wastewater treatment process.

Wipes, sanitary waste and fats, oils and grease all build up over time and cause blocked pumps and pipes stopping water flowing freely. When a pump gets clogged, sewage can back up into homes and overflow into rivers, and repairing or replacing pumps can add considerable expense on your water bill.

Please dispose of wipes and unflushable items in the bin – **do not** flush down the loo.

Help protect our rivers, wildlife and the environment. Keep waste out of the drains to prevent blockages, sewer flooding and nasty smells in your property.

Bar Hill Pre-School

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

— COUNTY COUNCILLOR REPORT —

This month the Greater Cambridge Partnership [GCP] announced a refreshed vision for how they will accelerate the building of thousands of new homes and jobs and create a fit-for-the-future transport network. Their strap line 'Growing & Sharing Prosperity' reflects a strong collaboration and partnership approach. The GCP's 'smart' work stream is a forward looking area trying to investigate and then harness modern and even not-yet-invented technology. The objective is to 'help users get around the real world' and 'help passengers avoid waiting for buses that are never coming'. Regrettably it's happening at a time when the County Council has been advised of further bus de-registrations from 3rd September which include routes that will impact our villages [1A, 2 and 8]. I am following up with County Council Officers their statement that they are considering options for providing alternative services.

Each year Cambridgeshire Library Service runs a Summer Reading Challenge during the summer holidays. Last year over 5,000 Cambridgeshire children took part. This year's challenge is called 'Animal Agents' and is supported by award-winning illustrator, Tony Ross. Children can sign up at their local library; entry is free and there are rewards to collect along the way. 'Animal Agents' will provide a fun element to encourage children to keep up their reading skills over the holidays. All children who take part will be given a collector's folder and, if they complete the Challenge, they will be rewarded with a medal and certificate. Please note that families who are going away for most of the summer holidays can still take part – children can either catch up when they get back or collect a 'holiday pack' to take away with them.

The lovely weather made for a great Bar Hill Fête this year. Thanks to the Fête Committee, the Parish Council and all those who participated to make it a success. I hope the good weather will continue through the summer holidays.

Please do contact me with any comments or questions. If you would like to receive a copy of the full report I write each month, please e-mail me and I will add you to its circulation.

ENJOY ENHANCED COMMUNICATION WITH YOUR CHILD

Babies are naturally gestural – whether they reach up for a cuddle, bang on their highchair, or clap their hands in excitement, they are predisposed to interacting using their hands. Scientific research has proven that babies are born "connected", meaning they are ready and able to interact.

At a "Sing and Sign" class, we teach carers signs through music, which entertains and stimulates the babies. Class sizes are limited to 12 to ensure a sociable and comfortable environment.

Free Taster sessions and classes are available throughout the year at the Bar Hill Octagon and around Cambridgeshire. For more information visit: www.singandsign.com, E: singandsigncambridge@yahoo.com, T: 07732 380191.

— AUGUST BULLETIN — CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

With the Summer Holidays in full swing, we are warning young people to stay safe in the County's waterways and making you aware of the dangers of swimming in open water.

Young people are inclined to gather around waterways to enjoy the weather. We want to remind people to keep our #RememberRony campaign on their minds if they are tempted to cool down in rivers and lakes instead of going to supervised lidos. Many lakes and rivers are not easy to access for emergency vehicles and many are actually private property, not for public swimming with no lifeguard on site.

The fire service's **#RememberRony** campaign aims to educate young people about the risks associated with open water. It is backed by the family of Huntingdon schoolboy Rony John, who sadly died in 2014 while playing with friends in the Great River Ouse.

It is important for parents and young people to be aware of the risks of open water, such as being deeper than anticipated, hazards below the surface to get trapped on. Even though the sun may be shining, the water could still be very cold causing the body to cramp up and pose a risk to getting out the water safely.

If you see someone in trouble in the water call 999 immediately with clear details of your location. If possible, send someone to the nearest road to flag down the emergency services. Find the nearest life ring or anything that could help keep them afloat. If someone goes under the water, mark the place they were last seen with a piece of clothing at the water's edge.

For more information about water safety, visit www.cambsfire.gov.uk or to pledge that you will stay safe around open water this summer, use the hashtag #RememberRony on social media. You can also call us on 01480 444500.

website: www.barhillschool.co.uk

This has been an exceptional year at Bar Hill School. We achieved excellent sets of academic results at all levels (EYFS, Key Stage 1 and Key Stage 2) – yet again we were well above national, Cambridgeshire and local cluster school results. The outcomes also show that children from Bar Hill, on average, are better prepared for secondary education than other Year 7 students joining Swavesey Village College in September. These are things that give us greater cause to celebrate as we extend the 50th anniversary of the village into the 50th anniversary of the school next academic year.

We start our celebration of the 50th anniversary with the fantastic news received in July that we have been successful in our bid for £10K to create the Dawn Miller Memorial Play Area in memory of our cherished colleague and member of the Bar Hill community who died unexpectedly last year. We now have a total pot of money for this project that amounts to £13K which should create the play area that Dawn designed for the school last academic year. In the Autumn we aim to complete the construction and would welcome any further donations to make the space even better along with visits from members of the community once the project is complete.

We wish all members of the community a wonderful summer holiday and look forward to the children returning in September. If there are any members of the public who would like to join the school as a volunteer in September, don't hesitate to call by and chat with or ring Mrs Milroy in the front office or feel free to drop her an e-mail on: office@barhill.cambs.sch.uk.

We invite all current, lapsed and new members to come along and play on the courts. Please encourage your family, neighbours and friends to come to our club social nights to play some tennis. We welcome players of all abilities. Tennis is an excellent way to keep fit and enjoy the summer evenings in a relaxed and friendly environment.

Our Adult Club nights are Tuesdays & Thursdays 7–9pm. Some of our members are also trialling Sunday afternoon tennis at 2pm. Why not wander down to the courts and enjoy a game – all abilities welcome.

Our membership rates are unaltered: Adults £40; Family £80; Juniors £15. For full details pop down to see us on Tuesday or Thursday evenings at the Courts, call us, or visit the website.

— BAR HILL COLTS —

On Saturday 17th June Bar Hill Colts held their annual presentation day on the school green. We were blessed with superb weather and a great time was had by all. It was lovely to see all the children having such a wonderful time - I think some of the parents and family had a good time as well judging by the empty beer bottles at the end. All of the children received recognition for their efforts over the season, but this was a presentation day and the various team awards are as follows:–

Under 7s

Players player – **Jay Fulcher**; Parents player – **Joseph Wilson**; Most improved player – **Ethan Barrett**;

Under 9s (blue)

Players player – **Max Tyrer**; Managers player – **Theo Goddard**; Parents player – **Max Egan**

Under 9s (white)

Players player – **James Wright**; Parents player **David Starling**; Managers player – **Abi Tod**; Most improved player – **Jack Searle**; Clubman – **Dylan Furber**

Under 11s

Players player – **George Williams** and **Joe Cundy**; Managers player – **Juno Jiang**; Parents player – **Max Hilsden**; Most improved player – **Bradley Lyne**; Clubman – **Tommy Lethorn**

Under 12s

Players player – **Lucas Castillo-Winter**; Parents player – **Christian Simmonett**; Managers player – **Lucas Castillo-Winter**; Most improved player – **Alfie Pope** and **Lauren Grattidge**

Under 13s

Player of the year – **Nilanshu Mukherjee** and **Charlie Rogers**; Parents player – **Wayne Markillie**; Players player – **Ben Dobinson**; Most improved – **James Thomas**

Under 14s

Players player – **Joe Playle**; Managers player – **Joe Playle**; Parents player – **Joe Playle**; Clubman – **Freya Goddard**

Under 14s girls

Players player – **Freya Goddard**; Parents player – **Freya Goddard** and **Georgia Wilson**; Managers player – **Issy Bryant**; Top scorer – **Issy Bryant**; Clubman – **Esther Mctrusty**; Most improved player – **Rihanna** *(she can sing as well)*

Under 16s

Players player – **Dan Cundy**; Managers player – **George Cawte**; Parents player – **Luke Shanahan**

Also for the *under 16s*, who have now finished their last season, four players were recognised as they had been with the team from the start (10 years ago). They are :–

Luke Shanahan; James Debono; Liam Rabel; Harry Sargent

In addition to the above, the following awards were made :– Club Person of the year – **Janet Shanahan**; Team of the year – **Under 12s (Rockets)**; Manager of the year – **Joe Egan**; Young Club Person of the year – **Luke Shanahan** and **Christian Marin**

The day ended with a match between the managers / coaches and the under 16 team. The match ended in a 3-3 draw – although some of the decisions against the managers team were dubious to say the least.

Finally, a big thanks to all members of the Colts committee (in particular Joe Egan who oversaw the events superbly) for their efforts on the day and their continued commitment to the club as a whole – without them it wouldn't exist.
